With locally crafted beers flowing from our taps, creative entrees prepared in our from-scratch kitchen, and authentic North Carolina hospitality, it's all about flavor and charm here at Tribeca Tavern.

Handcrafted flavors and homegrown charm always served with a splash of local flair, that is. Settle in for relaxed dining amidst area images of days gone by and every day neighborhood moments and memories. Then, let your taste buds do the choosing from our thoughtfully designed menu with selections ranging from delectably health-conscious to decadently indulgent.

Take advantage of our nearly year-round ideal NC temperatures on our outdoor terraces, lounge in our dedicated bars for game watching with a casual bite and our exclusive Mash House craft brews, or set a date in one of our private dining spaces that are available to accommodate a range of special parties and corporate events.

From the genuine natures of the people that make up our Tribeca
